

## REMARKS

This is a preliminary amendment before the first Office Action.

Claims 1-6 are currently pending. Applicant has amended the specification, claims and abstract in order to correct grammatical errors and to make the application conform to U.S. practice. Support for the addition of the Brief Description of the Drawing section may be found in the specification on originally filed Page 10, line 29 to Page 11, line 7 (Fig. 1), and Page 11, lines 8-18 (Fig. 2). None of the amendments present an issue of new matter.

A Request For Approval to Make Drawing Changes is filed herewith, in which English text has been added to the Figures, and the Page and Figure numbers have been enlarged for clarity.

Applicant submits claims 1-6 are in condition for examination, early notification of which is earnestly solicited. Should the Examiner be of the view that an interview would expedite consideration of this Amendment or of the application at large, request is made that the Examiner telephone the Applicant's attorney at (908) 518-7700 in order that any outstanding issues be resolved.

If there are any fees due and owing in respect to this amendment, the Examiner is authorized to charge such fees to deposit account number 50-1047.

Respectfully submitted,
